Mr. Dukette to attend to discuss latest information and timeline. The total that was presented last year was approved. The total amount the district would fund up front is: \$521,567.26. The amount the state will reimburse is: \$350,180.26. This means the total cost to the district, after grant funding, is: \$171,387. The only exception to this may be differences in costs based on the fact that the quotes were given in April and prices may have changed.

- VIII. Public Comment/Zoom Chat
- IX. Adjournment

Respectfully Submitted.
