

The Recreation Commission arranges for services at Town fields with payments from the grounds & parks account. These expenses include routine maintenance and improvements.

We coordinate recreational programs for children with payments to instructors through the recreational program's account. Arrangements for substantial improvements at Town

fields are accomplished with payments from the Recreation Capital Improvement Account (CIP).

Please refer to the Recreation Programs and Field calendars for a list of current activities.

Meetings

Meetings are held quarterly on the third Thursday of March, June, September and December at 7:00pm in the Municipal Building.
