

Looking to start or grow a business? You couldn't pick a better location than the Town of Canterbury — situated in the beautiful Northeast Corner of Connecticut — where there is room to grow, prosper and succeed.

Whether in our downtown business center or along our highways and byways, you will enjoy our rural setting where a relaxing atmosphere sets the stage for shopping fun and enjoyment.

General stores, crafters, restaurants, unique shops, animals large & small, auto repair, jewelry, artwork, museum, banking, antiques and more. We look forward to serving you with our professional services and quality products. Read through our business directory and find us on the map.

The menu to your right, lists resources and information that will help guide you start-up, licensing, zoning and much more.
